Standard Warranty Condition

All products are covered by a standard one-year warranty, provided they are installed in accordance with the guidelines specified in our product catalogues or on our official website at www.ajaypipes.com. This warranty is applicable exclusively when all pipes, fittings, and solvent cement used in the installation are sourced from Ajay Pipes.

Under this warranty, the company's responsibility is limited to replacing defective products. The warranty period commences from the date of the invoice or bill. Customers must present a valid invoice or bill to an authorized dealer or retailer to avail themselves of the warranty benefits. The company's liability is strictly limited to its own products. Any costs associated with removing or replacing installed products will be borne by the customer. The warranty does not cover damage caused by unforeseeable circumstances, force majeure events, or mechanical damage from activities such as drilling, nailing, chiseling, or mishandling at the installation site. For complete peace of mind, ensure that installation and usage adhere to the recommended guidelines.
